2025 PRACTICE PROFILE HIGHLIGHTS

Cascadia Eye is proud to have provided care for over 28,000 unique patients over the past year, reflecting the community's continued trust in our team. Within that time, our surgeons performed 2,915 procedures in our Ambulatory Surgery Center.

ABOUT THE PRACTICE

Cascadia Eye has served patients across Skagit, Island, and North Snohomish counties since 1985. With five locations, including a dedicated LASER center and an AAAHC-accredited Ambulatory Surgery Center, we provide comprehensive medical and surgical eye care to the region.

EXCELLENCE IN CARE

Our practice consistently exceeds national benchmarks for premium IOL conversions, visual acuity outcomes, and patient satisfaction. Cascadia Eye has been recognized by the community as the Best Eye Care Practice every year since 2015.

PHYSICIAN CARE

Physicians benefit from an easy, fair call coverage schedule designed for work-life balance. The practice maintains established referral patterns in medical eye care, cornea, and glaucoma.

TEAM AND TECHNOLOGY

An experienced, supportive management team fosters a collaborative work environment. Cascadia Eye utilizes Modernizing Medicine Practice Management and EHR systems to enhance efficiency and support continued innovation in patient care.

LOOKING AHEAD

As we move into 2026, we remain committed to building on our achievements and exploring new avenues for growth. We look forward to continuing our journey with renewed energy.
