PATIENT EXPERIENCE

- "The doctor and staff at Cascadia Surgical were outstanding. They took care of me from the minute I walked in the office to the minute I walked out. I appreciated their care very much."
- "I have worked in many surgical centers and hospitals. I was very impressed with this experience."
- "Great doctors, nurses, & staff. Wonderful place in which I felt I was being well cared for & under excellent hands from professionals."

Our ASC team is composed of highly trained, compassionate professionals dedicated to delivering the safest, most advanced eye surgery experience
